

Memo

To: Commissioners, First 5 Ventura County

From: Sam McCoy, Program Manager

Date: December 18, 2014

Re: Recommendation to authorize no-cost extension of FY 2014-15 contract with United Way of Ventura County to support the Ventura County Children’s Oral Health Collaborative

Background

On September 18, 2014, the Commission approved a recommendation to reallocate \$20,000 of the FY 2014-15 funding for oral health to the Ventura County Children’s Oral Health Collaborative through United Way of Ventura County. This funding is for a part-time staff person to support the work of the Oral Health Collaborative and to help manage Collaborative projects in education and messaging, coordination and referral, and evaluation.

The current agreement with United Way of Ventura County, in the amount of \$20,000, began on December 1, 2014 and runs through June 30, 2015. During the contract negotiations with United Way, it was determined that the activities and deliverables supported by this position would be most effectively implemented in a full one year timeline.

Recommendation

The recommended action would authorize a no-cost contract extension with United Way of Ventura County through December 31, 2015, for a part-time staff person to support the Ventura County Children’s Oral Health Collaborative. No new allocation would be needed.
